"If you could change one thing about KBOO, what would it be?"

<u>#</u>	<u>Response Text</u>
1	change culture so that air-time was seen as a privilege rather than a right.
2	more international programming
3	want hosts to back up their opinions with facts
4	i've listened for years. i am pretty conservative i don't like some aspects but i like the music
5	it is all great
6	more hispanic programming
7	"what he might not like, someone else might like."
8	i love kboo like the blues festival and on air personalities and variety
9	change DN to 7 am
10	we do pretty good right now.....
11	more indie rock like 'drinking from puddles'
12	"I would like to find a way for KBOO to embrace change in a positive way and create a place for new voices. Perhaps the prime time talk spots could be limited to a maximum of five years to one host, also the host on hot time spots like the reggae hour could be rotated each week."
13	indian world is gone wish that guy would move back to town -Eugene Johnson
14	bigger endowment.
15	KBOO does very well right now.....
16	Assured that KBOO people will figure it out. Relying on the judgment of KBOO people.
17	I would change get rid of all the talk radio and replace it with news features and interviews
18	Love the Abe and Joe show. But wants Abe tone it down when he starts yelling and getting on a roll.
19	Too many shows are "entrenched" in their time-slots
20	i grew up with kboo and i love it
21	More hip-hop.
22	more music in the morning- more reggae
23	I would like more local news and community interest programs
24	"During talk radio, contrary voices seem to get dismissed. There's a vibe of being a little politically correct. It's the mirror image of a right-wing station. Would like this radio station to be above that. It's the swing voters we need to reach."
25	wish the people would enunciate better/ not as bright as i know they are/ too casual and hippy style seem to dumb themselves down
26	it's quite a rigamarole (I went through it once and was never able to complete it) for a band to share an event on the on-air Bluegrass Calendar. There needs to be an easier method!
27	I would like more news and current affairs on the weekend
28	noisy baby at amy goodman event - should have been removed.
29	rebroadcast democracy now at different time

30 none at all
31 the signal should be stronger!
32 Bring back some classical music. KBOO's classical programming was more interesting than other classical programming.
33 none at all
34 I would like more world music
35 none at all
36 I would like a little more professionalism.
37 The news has a pretty slanted liberal bias. and sometimes the professionalism of the news is a little lax.
38 More Grateful Dead!
39 none at all
40 "If I have to give up something, it would be talk. I would miss the zines. Sad that Andrew's show is gone"
41 generally would like to volunteer but it is hard to get to KBOO. listens on Saturday. Like bluegrass show. Liked the show on hip hop on wednesday. Misses African Music thursday Garreth Jankins.
42 "i appreciate that you give local folks opportunity to be on air, i get different news from kboo than npr. kboo puts things in a context so there is no gratuitous violence in the story, (eg war stories) appreciate k stehenson anneliese in morning"
43 more Teresa Mitchell and public affairs
44 More jazz!
45 I would like more coverage of local live music
46 More jazz! Wouldn't listen to DN! on KBOO--no matter when it's on.
47 "I likes Democracy Now at the time where it is! Change? Would make sure KBOO has unlimited funding! (doesn't mind membership drive tho, kind of fun). So happy with KBOO, can't think of anything."
48 lots of jazz and blues
49 more bluegrass
50 "Folk music is dwindling, and the best folk is on too darn early! Husband listens to KMHD."
51 More Native American news. KBOO used to play a 5-minute news piece every evening. Please bring it back.
52 "More art programs, more lecture series, maybe expand into artist lectures"
53 Changing some of the scheduling.
54 I listen to KBOO for music and DN. Transitions from one show to the next could make more sense -- without losing the diversity of programming.
55 More programs like alternative radio.
56 Likes Fresh Air at 7pm and 2pm on NPR, so we lose him then. There's nothing much in the morning he goes for on any station, until Democracy Now on KBOO or Talk of the Nation on NPR. Likes Marlena's Electric Salon, wishes there was more of that."
57 "No more pledge drives, but of course, no advertising either! Look for other ways to raise money."
58 "i listen when driving, i like music jazz folk mix it up a little"
59 none
60 "Replace... 'soul strip' music with compelling/unusual/dynamic programming . . ."

61 none

62 I'd like more folk / irish music in the evening. I love Joe and Abe in the morning. I love Alternative Radio in the evening.

63 Listens mostly to music; not so much talk.

64 would make folk and american roots 9pm or 3-4pm in afternoon.

65 my primetime for listineing 7-9 am 3-5 or 6 pm

66 More African reggae and other African music.

67 none

68 "Does not want to give opinion on current programming: does not listen anymore because lives out of state and doesn't have internet anymore, but loves KBOO."

69 less strident opinions

70 more news and public affairs

71 That would be presumptuous of me to suggest because I have not listened to KBOO for a long time - however I am happy that KBOO is there and to support it. And you have inspired me to look at the program guide and to start listening again. Thank you for your work.

72 increase degree of professionalism among djs

73 more african and ethnic music but it is fine now. i would change - add more reggae

74 none

75 Get Michie Kaku on. He does interviews with scientists. His radio show Exploration is great. I'd like to hear it on KBOO. I heard him on the Tampa station.

76 more folk and roots

77 None of the DN! options are appealing. More music; less talk...especially [political rants on music shows].

78 "Loves African Music Show (African Dance Party, African Oye) - wants more!"

79 That...hillbilly music on Saturday morning (before 9am).

80 Please move Democracy Now! to 12 noon!!

81 give it more power!

82 more of uncle mort (on)??

83 nothing

84 make Teresa Mitchell's show longer - that way she could have more feedback

85 "if equipment were better things would run smoother, but I understand KBOO runs on limited funding,"

86 nothing

87 "happy with KBOO, but would move Uncle Mort off he Mondays where he gets preempted by holidays"

88 I can't think of any changes that I would make! I think it's very comprehensive and covers a wide range of the community.

89 I wouldn't say there's anything in particular... maybe more Grateful dead!

90 like the western music 3 hours on sat . monday at noon.
