

## POLITICAL ADVERTISEMENTS

Political advertising may be accepted for the Program Guide long as it indicates it was paid for by the candidate's or issue's campaign committee and is not racist, sexist, or otherwise offensive or does not violate the KBOO Charter. Payment must be received prior to running the advertisement. The decision whether to accept political advertising will be made by the Underwriting Coordinator, subject to the approval of the Station Manager.

Adopted by the Board of Directors 8/3/88
