

KBOO Monthly Engineering Committee Minutes

Kudos – Mark Weiner for holding down the fort while I was out of town. Thanks to Aurther Rizzotto and Devin LaCroix for leading the remote crew for the Cathedral Park Jazz Festival.

Big Pipe Rocket STL – Rockets are doing well and are being monitored before switching over to this STL. Current status. Schedule date to switch over from CDLink STL. Update line diagram. Note: today the codec in Engineering had red lights indicating it is not active.**** Green lights on as of 6PM.

Harris Z10 TX Repair – Z10 has a power supply fault. Schedule time to switch to old Collins TX and investigate power supply status. Reset the power fault.

P1 Soundcraft Console – Is the P1 Console power supply humming again? Monitor.

Cathedral Park Jazz Festival Remote Broadcast Debrief –

Pickathon Remote Broadcast – August 5th – Today Devin and I set up four tents at Pendarvis Farm in 103 degree heat. Load in with FuzzyBoo tomorrow. We will be on site through Sunday PM. Wish is luck!

3rd Annual Louis Armstrong Celebration Remote Broadcast - August 10th – Needs crew for broadcast. Contact Ani Haines Volunteer Coordinator.

Albina Jazz Festival – August 12 & 13th – Freemont Theater – 24th and NE Freemont – This will be a stream only remote broadcast. We need to coordinate with Robert and Jenka to connect a streamer to the KBOO web site ASAP next week. We are still determining if we will stream Saturday only or Saturday and Sunday. Need crew.

Video Projector and Screen Install – Looking for help installing brand new video projector, ceiling mount and powered screen. Power issue and audio need to be resolved.

Air Room Talent Pods – Mic 3 Pod between the turntables seems to be completely dead. Mooretronix replacement?

Hood River Translator Trip – Looking for good date to schedule a trip to the translator site late Summer or early Fall before the weather turns. Objective is to asses status and make an inventory. Who wants to go on an adventure?
